

PATRIOT RENEWABLES

## \$5,000 COLLEGE SCHOLARSHIP

We are pleased to announce this year's Patriot Renewables college scholarship! The scholarship is open to anyone attending college as an undergraduate for the 2017-2018 academic year that lives in, or has a parent or grandparent that is a landowner in, one of the following towns:

**Woodstock, Milton, Freedom, Carthage, Dixfield, and Canton**

We are looking for students that have a strong interest in renewable energy, sustainability, or the environment. Applications are due by April 29<sup>th</sup>, 2017. The winner will be chosen by Patriot Renewables and will be announced on May 12<sup>th</sup>, 2017.

To apply please send the following information to [info@patriotrenewables.com](mailto:info@patriotrenewables.com):

- 1) Your name, address, phone number, and email
- 2) Relationship to designated town
- 3) A copy of your most recent transcript
- 4) The college you are attending or plan on attending (for incoming freshmen), your year of study (freshman through senior), and your intended field of study
- 5) An essay of no more than 750 words about the challenges and benefits of using renewable energy in the 21st century. Should we continue to pursue renewable energy development, and why or why not?
